Statement of commitment

The self-help housing program requires that each household work approximately 25 hours per week on home construction. Can you realistically work a minimum of 25 hours per week?

Yes _____ No _____

In the self help program, you not only work on your own home, but on homes belonging to others in the group, and they work on yours. Groups usually consist of four to eight participants. No member of the group moves in until all the homes are complete. Are you willing to complete all the homes in your group?

Yes _____ No _____

Are you physically able to do light construction?

Yes _____ No _____

Do you have transportation to get to and from the construction site?

Yes _____ No _____

Applicant rights and responsibilities
